Summary

Graduated from Bina Nusantara University, with almost 5 years of experience as a Software Engineer.

I have 2 year of experience as a web developer using .Net and I also have 3 years of experience developing desktop-based applications using Magic. Currently searching for a .NET application development position to utilize my skills and take the next step in my career, which is to actively contribute to the overall success of any business I work for.

Education

- Bachelor degree – Computer Science, Bina Nusantara University, Jakarta (Aug 2021 - Aug 2023). GPA 3.56.
- Associate Degree – Informatics Management, Gunadarma University, Jakarta (Aug 2015 - Aug 2018). GPA 3.71.

Work Experiences

PT. Indocyber Global Teknologi (Apr 2019 - Okt 2022)

Magic Developer

At PT Indocyber Global Teknologi, I developed mobile and desktop-based recruitment applications for use in internal companies using Magic XPA 3.3 and MySQL database.

At PT Indocyber Global Teknologi I was also placed in several client companies as follows :
